# THE SENIORS OF '42

For four years MC chapel's noisiest class, '42 is also noted for two pole-scrap victories. Principle vested interest: Pittsburgh, (Pa.) The largest freshman class in MC history elected Tom Savage as president, cheered Don Green to the top of the pole, made quite a stir generally. As sophomores they were not noticeably reformed, still kept chapel awake, led all-school dances, selected John Fidler as class leader. Their junior year found them still hale, hearty, and noisy, with Ralph Graham directing activities. Outstanding coup was the sneaking of the senior lunches for sneak day. Finally, as seniors, with Graham a second term, comprehensives an actuality, the class of 1942 prepares to bid Monmouth good-bye: its history done, its part on MC's stage played.

## THE JUNIOR CLASS

Class of '43: quiet but capable is a short description. To the juniors falls the honor of editing each year's Ravelings; this year's class also heads the Oracle. A big freshman class which lost the pole scrap, '43 elected Bob Barnes as its first president. As sophomores, accustomed to college routine and campus life, they elected genial Gunny Stieghorst as leader, managed all-school dances capably, booked Ace Brigode and Herbie Holmes. Now, with only one more year to go, Bob Alm and his junior cohorts, facing an unpredictable future, uphold MC's ideals and traditions with quiet ability.

# SOPHOMORE OFFICERS

Two down, two to go:

Smiling sophs Barnes, Montgomery,

Finney, McConnell.

## THE SOPHOMORE CLASS

The class of 1944 just had a good running start when World War II came along. The freshman year was quiet enough; no chapel seats were missing, no pole scrap victory was chalked up, no draft endangered freshmen. Tall LeRoy King guided the class that year; freshmen still wore their plaid caps; tradition still held sway at MC. This year Jim McConnell and the rest of '44 brought Fletcher Henderson's band here for Homecoming. Freddie Stevens was featured at the economy-curtailed spring prom. Sophs now face two solid years of studying; soph women have the dreadful prospect of a male-less campus. But heads and hopes are high, and the class of '44 marches on.

# PAN-HELLENIC COUNCIL

Pan-Hell's mediation and white flag keep Greek peace on MC's campus. This year, first Pan-Hell activity was the tea given for all new girls: opening gun of the rushing season. An all-sorority meeting—Pan-Hell sponsored—heard Miss Donald define the modern role of a sorority woman. In the spring, the annual all-sorority breakfast in Monmouth park was a big success.

Pan-Hell president Betty Wylie led other members this year: Nancy Tilson, Marjorie Fidler, Helen Hicks, Mary Scott, Marjorie Stormont, Kak Finlay, and Helen Stewart.

## INTER-FRATERNITY COUNCIL

To promote good feeling, cooperation, coordination among the men's Greek letter groups, MC fraternities maintain the Inter-Fraternity council. Composed of two members from each organization, the council meets regularly each month. Lain Conkling was this year's president. Other members: Bob Ruff, Charles Bastian, Bill LeSuer, Beryl Barkman, and Bob Rawson.

For the Alpha Xi girl in her castle painted blue and gold,  
life moves smoothly on its way, taking campus activities, dorm  
life in its path. Besides the usual formals here, she took in  
Knox's parties—creating kindred spirit. At the Pickle Mix  
each month she sang, and ate, and had fun.

# ALPHA XI DELTA

Guiding the Alpha Xi girls were these officers: Betty Wylie, president; Ruth Trotter, vice president; Doris Greene, corresponding secretary; Marty McCormick, recording secretary; and Jenni Doupnik, treasurer.

BK leaders pose: Lain Conkling, arkon; Bob McConnell, deputy arkon; Harry Frantz, chancellor; Ralph Graham, scribe; Bill LeSuer, treasurer; and Bob Lindahl, guard.

Scholars and athletes, the BK's come from the brick Colonial House on Broadway. Pi chapter of the national fraternity held its first Founders' Day banquet in December: a highlight on the social calendar, as were clever open houses. Several diamond pins found their way into the dorms this year, several more into the army.

The visit of the province president to Beta Gamma chapter of Kappa Delta caused the usual uproar which the advent of officers brings. Olive Binges and formals kept every loyal KD on her toes, with the addition of Christmas baskets to fill and gifts to wrap. "So here's to our olive and white...."

# KAPPA DELTA

Capably leading KD activities were Kak Finlay, president; Pat Reid, vice president; Marjorie Fidler, secretary; Ruth Powell, treasurer; Nathalie Otis, assistant treasurer; Jean Kellogg; and Arlene Snow.

Officers in the house overlooking the athletic field were Beryl Barkinan, president; Bob Rawson, house president; Roy Atherton, treasurer; Bob Shinn, secretary; Bill Normoyle, pledge master; and Francis Bouxsein, social chairman.

Phi Kappa 1942 specialties: (1) pin-hangings; (2) serenades. In time left from these, they added several intramural trophies to their war-chest, won the coveted scholarship cup which symbolizes classroom supremacy among Greeks. Outstanding social event: the Christmas tea, annual event attended by all loyal Phi Kappas and their dates.

The Wise Old Owl of Kappa stands for scholarship, sophistication, a sparkling smile. Wearers of the golden key may be found in any campus activity, wherever things are being done; and Kappa songs fill the air at Pretzel Benders and Christmas parties.

# KAPPA KAPPA GAMMA

A big white house on Broadway houses Alpha Epsilon chapter of Tau Kappa Epsilon. Specialty of skull-and-cross-bones wearers: athletics. They contributed much to the Scots' success on gridiron, hardwoods, cinder path. Tekes give smooth parties, are privileged to attend those of the Knox chapter.

White ruffled curtains, bare floors, an ancient trunk—once all that Holt House held in the room where Pi Beta Phi was organized. These reminders made one sentimental; now the entire house has been remodeled by the national sorority, is the “pride and joy” of every loyal Pi Phi.

“Never let a Pi Phi get a start—” songs at Pi Phi cookie shines; huge Christmas cookie from which all take a bite. . . .

# CRIMSON MASQUE

Curtain falls on one more successful Crimson Masque year. Spotlighted were the four major productions: "Pygmalion," "Dark Victory," "Ladies in Retirement," "Pure as the Driven Snow." Masque is a student-managed, self-supporting organization, gives members opportunity in all phases of dramatic work: acting, costuming, make-up, scene planning directing, set construction, financial management.

# PI KAPPA DELTA

To the Student Congress held last fall in Madison went representatives Frantz, Wilson, Baird, Young, and Martin. Chairman of the Congress was MC's Harry Frantz, veteran forensic man. Colleges of the mid-west met in the state capitol to introduce their own bills, support them, gain their passage.

# SPEECH IS SILVER

First Row—Casler, McInnes, Baird, Stormont, Young, Borthwick.  
Second Row—Swenson, Winslow, Gould, Anderson, Martin.

Pi Kappa Deltans were represented at all of the national fraternity's events, including the national convention. Members also attended the State Debate League contest at Jacksonville.

## STUDENT COUNCIL

The student council, led this year by Dick Blair, Bill Normoyle, Maudie Field, and Bobbie Dunlap, is becoming something of the power which it was intended to be. Among its practical accomplishments were the reopening and regulation of the Student Lounge, and more important, the creation of a student-faculty committee vested with wide powers of investigation and advice. The student discussions on departmental instruction were a concrete outgrowth of a new spirit engendered on MC's campus by its elected leaders: Dick Blair, president; Bill Normoyle, vice president; Maudie Field, secretary; and Bobby Dunlap, treasurer.

First Row—Kellogg, Kirkpatrick, Nicholls, Swenson, McClenahan.

*IN WAR AS IN PEACE.....*

## MONMOUTH COLLEGE SERVES THE NATION

Since the founding of Monmouth College, the United States has been engaged in four wars. In each, Monmouth men have served their country loyally and well; in each, Monmouth men have been called upon to give "the last full measure of devotion."

In the present struggle Monmouth College men are doing their full share both in the armed forces and on the civilian front. The Monmouth tradition is expressed in the words of the college hymn: "Loyal to God and native land, for Monmouth College we will stand."

Today, Monmouth is not running on a basis of education as usual; she is giving her entire efforts to winning the war, by full cooperation with the needs of our country for training men to fill positions of responsibility in various units of service. The army, the navy, the marines, and other specialized groups are looking for officer material with certain specialized training. Therefore, where the Monmouth program did not fully meet government needs, that program has been changed.

Monmouth alumni, also, have important posts in the civil government. Very definitely, the responsibilities given to Monmouth men show the value of Monmouth's educational program and Monmouth's tradition.

And when this war shall sometime cease, Monmouth men and women will be prepared to take an important place in the program of reconstruction and of peace.

The value of a Monmouth education never was greater.

Monmouth urges that her friends point out these opportunities to prospective students.

INTRAMURALS

# THE FIGHTING

Short, soft-spoken Bobby Woll—MC's athletic director—had the satisfaction of coaching another championship basketball team this year, his second in five years. More than that, he has spent much time and effort in promotion of intramural athletic. Present high level of IM competition, participation, is due largely to Bobby.

Fresh up from Geneseo High, Jelly Robinson utilized some of the coaching tactics of "Herb" Hart, worked out some streamlined plays of his own, took second place in Midwest football competition. A magnetic personality, he has made himself popular both with athletes and the rest of the student body.

MC graduate of '41, George Kauzlarich coached the frosh footballers. A brilliant back for three years himself, he tutored the yearlings thoroughly in football fundamentals, preparing them for varsity competition next fall.

# SCOTS---1941-42

Suiting their nickname to a "T," MC's Fighting Scots took the Midwest Conference by surprise this year. With opponents apparently expecting a soft touch, the Scots were anything but that, took second place.

Led by dynamic "Jelly" Robinson, a squad few in numbers and small in size led off by beating Beloit, last year's champs, went on to notably improve 1940's cellar position. The Scots were defeated by only one conference team, Lawrence, who though only getting four first downs to MC's fourteen, rolled up a 22-9 victory. Champion Ripon was tied, to spoil the Wisconsin team's homecoming.

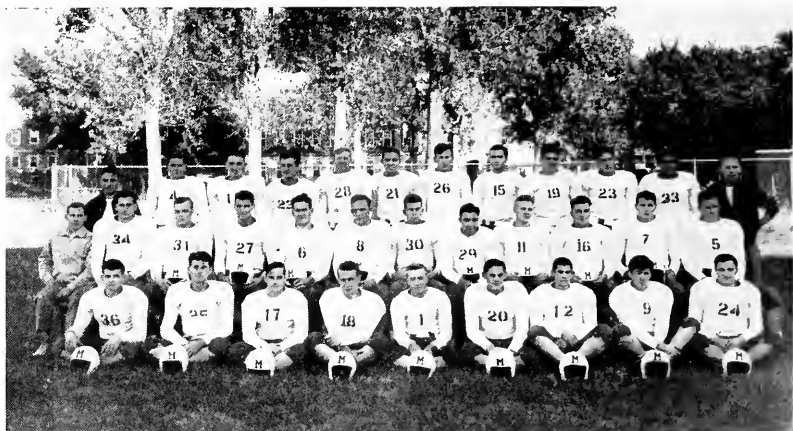

In the Illinois Conference the Scots held undefeated Millikin to a 14-0 score on a muddy field.

Climax of the season was a rousing 20-0 win over Knox, which cheered student hearts, brought bronze turkey back home after six years of exile in Galesburg.

Bobby Woll's Frosh didn't do so well. They beat Augie but were snowed under by a powerful team from Knox. Dave Stone and several others will make valuable additions to next year's varsity.

# FOOTBALL

Front Row—Donn Johnson, Bloomer, Wilson, Lindahl, Adams, Dunlap, Finney, Danukos, Castagnoli  
 Second—Connell (mgr.) Blythe, Rog Johnson, Jim McConnell, Galloway, Farrar, Jaquet, Robinson, Barnes,  
 Green, Anderson, Van Tuijl  
 Third—Woll (asst. coach), Seaton, Worley, Harold McConnell, Harold Johnson, Snyder, Eckhoff, Normoyle,  
 Rankin, Missavage, Robinson (coach)

Front Row—Cole, Merillat, Hahn, Tarkington, Loos  
 Second—Elliott, Greenwell, Weckerly, Kappel, Lawson  
 Third—Kauzlarich (coach), Reilly, Behringer, Jennings, Stone, Stiller, Crum, Sawyer, Simonini (mgr.)  
 Missing—Gillis, Johnson

**SWEDE LINDAHL:** "Swede," a big asset at blocking-back or guard, also proved to be a mighty good signal caller. Senior who will be sorely missed in next year's line.

**RED McKINNON:** A sixty-minute man—one of the team's most dependable. Nobody went anywhere through guard this year. Another lineman who will not return.

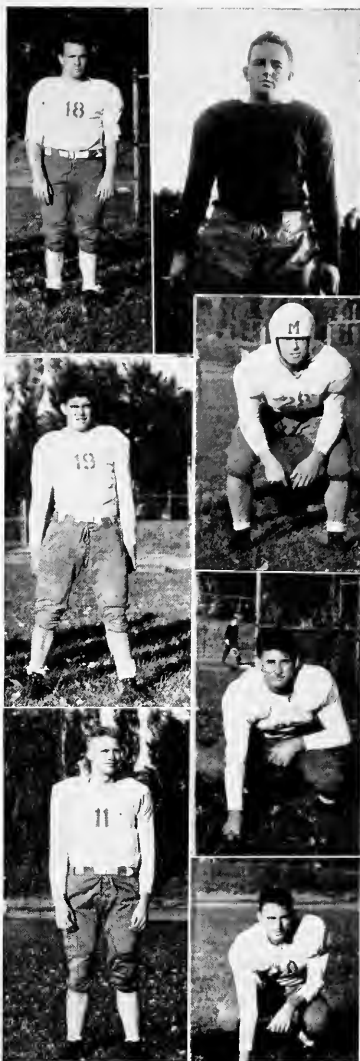

**BILL NORMOYLE:** A flashy end who makes those hard plays. The big job next year will be to find an end to take his place.

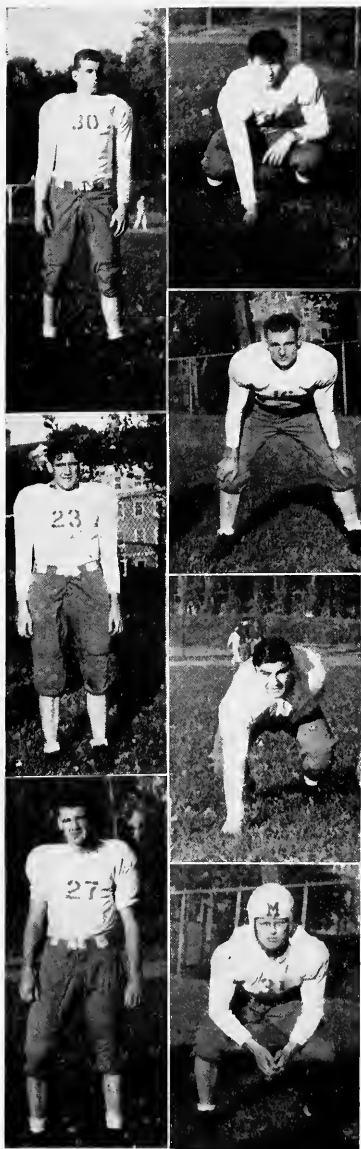

**SWEDE JOHNSON:** Lost—one good blocking back, drafted during the season.

**WAYNE BLOOME:** Another senior. A back, a fine passer, and one of the squad's fastest men.

**BOB BARNES:** A light, fast man who was switched to end this year, Barnes should be a standout next season.

**BUCK WORLEY:** Only an injury kept him from being a scoring sensation. His fight kept him right in there anyway.

**JACK JAQUET:** Next year's other end. A fine pass-snagger, fast, a fighter, he was slowed by injuries this season.

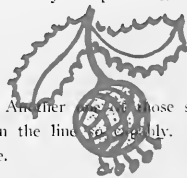

**GEORGE DANUKOS:** "Find" of the year—a spot passer and a smart back who showed well in his first year.

**DON GREEN:** Don closes three years of consistently fine football. Another end who cannot be spared but must.

**GLENN RANKIN:** A fine running back and the Midwest's best punter. Has fire and speed to burn.

**JOE MISSAVAGE:** Joltin' Joe almost beat Knox all by himself. MC's Bronko Nagurski.

**JIM McCONNELL:** All-Midwest and All-Illinois conference center—and only a sophomore. Need more be said?

**ROG. JOHNSON:** Another one of those sophs who filled the gaps in the line so gaily. A steady, determined tackle.

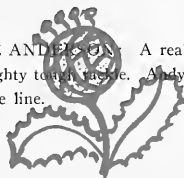

**TONY CASTAGNOLI:** "Fireball"—and sniting the nickname. Tony's a fightin' ball player in that line.

**BOBBY DUNLAP:** A little man with a big heart.  
At 155 Bobby was worth his weight in wildcats  
at quarterback.

**DON ROBINSON:** He took it and came back for  
more at tackle this year—now does the same for the  
army.

**WHIRL McCONNELL:** A bang-up defense man and  
a fine passer, Whirl was a standout this year, should  
be better next.

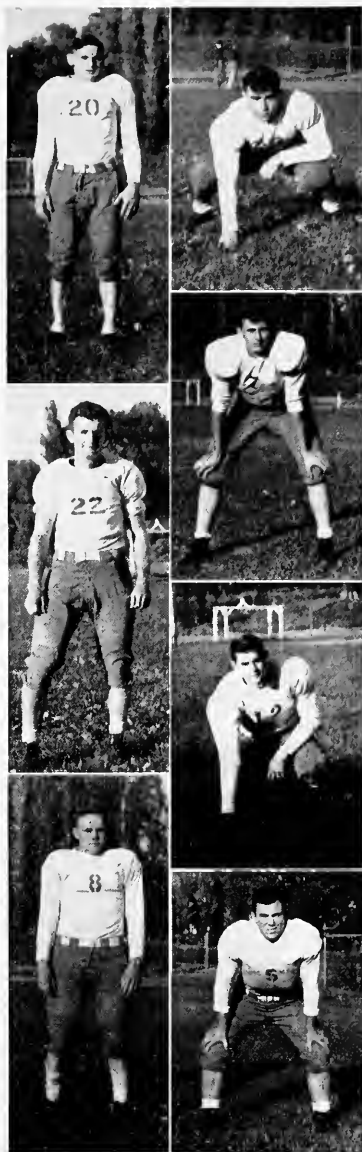

**WAYNE ANDERSON:** A real sixty minute man and  
a mighty tough tackle. Andy was a block of granite  
in the line.

**PETE FINNEY:** One of the squad's fastest—always  
a threat from anywhere on the field, and a cool,  
heady player.

**KENNY FARRAR:** Hampered by a trick knee, Kenny  
nevertheless was an invaluable man. His place  
kicking was "the best."

**BILL VAN TUYL:** Van was elected the team's  
most valuable player, and earned it. A tough line-  
man who would come in handy on any team.

# BASKETBALL

The Scots won the Midwest Conference championship again this season, the second time in the six years of Bobby Woll's coaching regime. Paced by the high scoring Gordy Huber, the Wollmen won eleven of twelve conference games. Sole loss was a one point affair won by Beloit. Huber, a forward, and Rankin, outstanding guard, made the all-Midwest team, while Normoyle, smooth and finished at the other forward post, was placed on the second team.

Hopes of MC fans were dampened when LeRoy King, six foot seven center, was put on the sidelines by an operation. However, the players adjusted themselves and finished sensationally—the best team in recent years. Highlighting the season were two decisive wins over the men of Siwash.

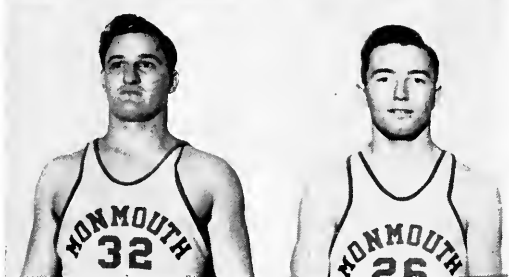

With only three seniors on the squad, hopes for next year are bright, barring the loss of key players.

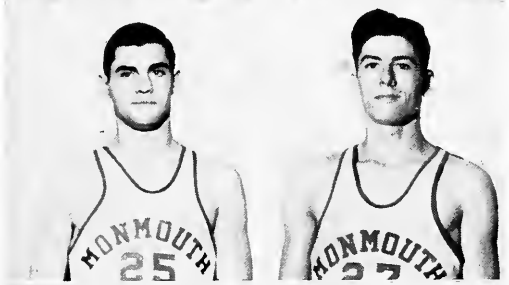

GEORGE BERSTED: captained the team through its first winning streak. He is a spark-plug senior who kept up a fast, heady game at his guard position.

HAL SCHNEIDER: Though held back by injuries, was a mighty good man to have around. "Schnitz" is a snappy, scrappy player who loves the going rough.

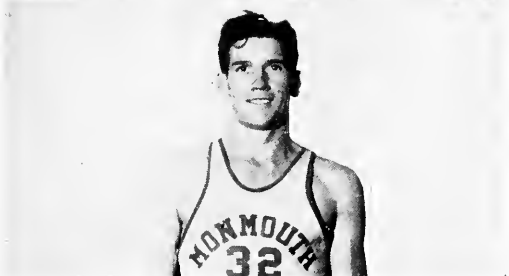

TONY CASTAGNOLI: The boy with the trick shot, is a very reliable guard. A stylist on the floor, he is especially good at anticipating and breaking up plays.

BILLY ADAMS: The boy who always has the crowd pulling for him because of his speed, pluck and determination. A reliable relief man for Normoyle and Huber.

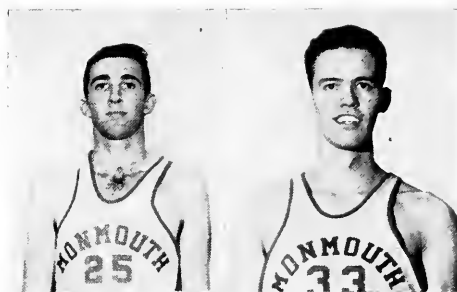

PETE FINNEY: A Sophomore who understudied Gordy Huber, really didn't get much of a chance. Next year may be a different story for this cool forward, one of the fastest men on the team.

GORDY HUBER: High point man in the conference with 178 points in twelve games. Gordy is said to be the finest offensive player in MC history, but he is also a fine dribbler and a team player.

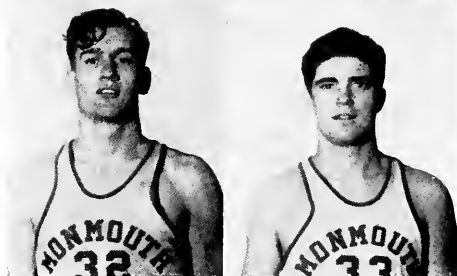

GLEN RANKIN: The best guard MC has had in years. "Rank" is steady, reliable, and cool—all-conference guard and a really fine player.

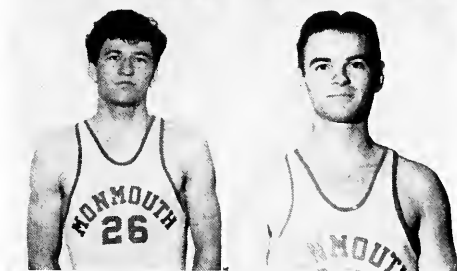

GEORGE TROTTER: A sophomore who had to fit into King's oversize shoes, looked mighty good at center. A fine rebounder, he was always good for several tip-in shots.

LEROY KING: Six foot seven inch center, was team's number one loss. Taken with appendicitis after two games, the high-scoring center will return next year.

GLEN BLYTHE: A good rebounder, with plenty of height, should do all right next year, after this season's experience at center.

BILL NORMOYLE: In his last year, displayed a consistently superior brand of basketball. A smooth floor player and a fine defense man, this forward was the Scot's second scorer.

GEORGE DANUKOS: A snappy ball-handler, was lost to the team in January. He is a fine guard who looked good as a substitute for the regulars.

BILL PHILLIPS: Although handicapped by lack of height, compensates by speed, pep, fight. Look for him on those fast breaks next year.

BUCK WORLEY: Who is especially good on rebounds, uses his six foot height to good advantage. A fighter who will see plenty of action in the future.

# FRESHMAN BASKETBALL

Led by Dave Stone and Farrwell Sawyer, the frosh cage team broke even in their four games with Augie and Knox. Coach Robinson didn't have too much material, but the boys worked hard and improved, and there is some good material for next year's varsity.

First Row—Simpson, Hart  
Second Row—Reilly, Peterson, Stiller, Lawson, Miller  
Third Row—Pratt, Sawyer, Stone, Elliott, Coach Robinson

# SWIMMING

Interest in swimming at MC hit a new high this year with the arrival of Hal Henning, swimming coach. The former champion from North Central stimulated the team, and although this year's record was not too good, next year will show a definite improvement. During the season, the team won one, tied one, and lost four in its series of meets. The following competed: Dick Owen, Hal Sauser, Bud Grier, Bud Buchanan, Capt. Bob Ruff, Tom McMichael, Gates Galloway, and Mel Schulmeister.

"Coach" Beck was team manager.

Freshmen Scott, Frymire, Merillat, Wells, Grice, Galloway were on the splash team which split even in two meets with the Knox yearling. Big things are expected from these frosh men next year.

First Row—Green, Dunlap, Bloomer, Ryan, Barbour, Lester, Hatch.  
Second Row—Skinner, Farrar, Lindsay, Schmidt, Harris, Rawson, Rhoades, Rankin,  
Coach Wolf

## TRACK

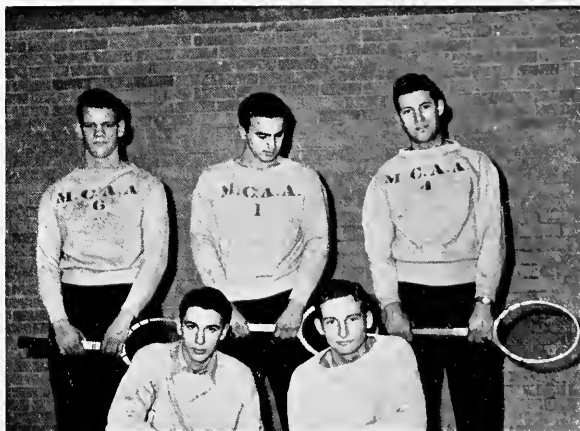

Loss of several lettermen dimmed the outlook for this spring's track team, but the large turnouts for practice, the fine sophomore runners, and promising recruits from the intramural ranks made the team a definite threat for the Midwest crown. The squad was handicapped by a lack of weight men.

Last year's squad, pictured here, placed eighth in the Midwest meet and fourth in the Illinois Conference, depending on Rawson, Green, Schmidt, and Rankin for most of its points.

This year's indoor squad was good enough to raise hopes for the outdoor season. High jumper Rawson, hurdlers Laxson and Worley, together with Worley and Finney in the sprints, and Laxson in the broad jump, formed the nucleus of a fine team which also included Bloomer, Schneider, Adams, Green, and Eckhoff as its point makers. Rankin, Midwest half-mile champ, has also returned.

With only two of last year's net team returning, MC's hopes were dim for a repeat on last year's performance, when the racquet wielders took third in the Illinois conference meet, with Art Gottschalk placing second in the singles event. Harry Frantz and Tracy Knauer return from last year, sophomores Dick Owen and Frank Heighway, and junior Art Schwanke are the best bets to make up the remainder of the team.

# TENNIS

## GOLF

After a slump last year, prospects for the '42 golf team are bright, due to the return to competition of three of the men who won the Midwest title two years ago. Predictions for a successful season on the links are based on the performances of these men: John Sherrick, Bud Roush, George Bersted, Bill Normoyle, Hal Schneider, and Charlie Dawson.

F

# THE SCHOOL WITH THE SPIRIT

Cheerleaders "Pug" Montgomery, Pat Halbert, Barbara Clough and Jack Loos led cheering for MC's victorious cage squad. They typified the originality and spirit of the other cheerleaders and the school in general. Rousing cheers for them!

# INTRAMURAL SPORTS

Athletic Director Woll has charge of an intramural program which has been greatly enlarged in the past few years. Purpose of the program is to encourage every boy in school to engage in some form of athletics, emphasizing physical development as a corollary to scholastic achievement.

Coaches Woll and Robinson, assisted by members of the coaching class, conduct seasonal tournaments among the men's dorms and fraternities. These sports are touch football, volleyball, basketball, swimming, track, and shooting. At the time of this writing, Phi Kappa Pi was ahead in the race for the IM trophy awarded yearly to the team garnering the most points.

In addition to the team events, there are several sports in which individual tournaments are held. These include handball, badminton, table tennis, golf, and tennis.

## PARLOR GAME?

John Grice makes a fancy back-hand return in an intramural table tennis game. Final winner of this tournament was versatile Bill Normoyle.

Tense moment in an IM cage struggle between East Hall and Van Gundy. The boys from VG emerged victorious from this contest, but Phi Kap won the tournament, a round robin affair involving six teams.

1. A new plan allows Juniors, Sophomores and Freshmen, aged 18 to 26, inclusive, to enlist in the Air Force Enlisted Reserve and continue their schooling, provided they maintain satisfactory scholastic standings.

### All College Men May Enlist for Immediate Service

2. All college students may enlist as privates in the Army Air Forces (unassigned) and serve there until their turns come for Aviation Cadet training.

3. All college students may enlist in the Air Force Enlisted Reserve and wait until they are ordered to report for Aviation Cadet training.

Upon graduation or withdrawal from college, men will be assigned to active duty at a training center as facilities become available.

If the necessity of war demands, the deferred status in the Army Reserve may be terminated at any time by the Secretary of War.

The new Army Air Force Enlisted Reserve Plan is part of an over-all Army Enlisted Reserve Corps program shortly to be announced. This program will provide opportunities for college men to enlist in other branches of the Army on a deferred basis and to continue their education through graduation if a satisfactory standard of work is maintained. In case of necessity the Secretary of War shall determine when they may be called to active duty.

If it is understood that men so enlisted will have the opportunity of competing for vacancies in officer's candidate schools.

This plan has been approved in the belief that continuance of education will develop capacities for leadership. (Reserve enlistment will not alter regulations regarding established R. O. T. C. plans.)

As an Aviation Cadet you receive \$75 a month, with expenses paid. As a Second Lieutenant on active duty, your pay ranges from \$183 to \$245 a month.

About *four out of every five* Aviation Cadets this past year received Second Lieutenants' commissions—of which 67% are now flying officers. Commissions for ground crew service are also awarded.

## Settle Your Service Now

To make America supreme in the air we need *every* college man who can qualify for active or deferred service.

See your Faculty Air Force Advisor for information and help with details. Join the thousands of America's college men who are enlisting this week!

NOTE: If you are under 21, you will need your parents' or guardian's consent. Birth certificates and three letters of recommendation will be required of all applicants. Obtain the forms and send them home today.

## A BACKWARD GLANCE---

One job I couldn't quit before finishing:  
Hours of thought and work,  
Fun, friends, studies to keep up  
Are the lot of a Ravelings editor.  
For the fine co-operation of staff, student body,  
administration:  
Thanks.  
For next year's head man: good luck!

LARRY.
